Safety Valve

by the Readers

Pure in Heart. . .

Dear Editor

In regard to the article in the Safety Valve I have a few observations for 'Appalled"

Whatever gives some students the idea that the BYU is the City of Enoch where are all are pure in heart? I haven't heard of any proclamation from Salt Lake City declaring that the city has returned and the millenium is here

It seems strange that some students, who are above reproach in their moral conduct during a test, have time to look for the mote in the eyes of their fellows Do we have a genius among us who can breeze through the average test in a few minutes to give him time to check on the other students?

Another and more serious observation if the cheating has been so flagrant and frequent, 'Appalled," then YOU have the responsibility (as you will remember from the orientation propaganda) of seeing that the student at fault is dealt with according to the rules of the Honor Council! If the Honor System is not working at the BYU (but I contend that it is) then it is because students like yourself are afraid to stand up for what they know is right The sins of omission are often worse than those of commission I, for one, would not sit idly by and let someone steal a grade from me But as yet such practices have not come to my attention

Sincerely yours,
Eugene D Brubaker

John Problem. . .

Certain of us among the male population on campus feel that we have suffered enough abuse It's time for someone else to take a turn Those of us fortunate enough to have the name 'John' dislike having it tacked onto the end of such phrases as are commonly heard around the campus To wit "In the ———," I have to go to the ———," "I left it in the ———," etc Be it hereby known that we are rising again in protest

Brethren, unite! There is strength in numbers All who can qualify for membership are urged to join our recently revived society, which because of potential strength promises to outrival all societies on campus With our united power and brotherhood placed firmly in the S P C L J (Society for the Prevention of Calling Latrines Johns) we should be able to succeed in transferring the abuse that we have too long endured to the "Bobs" or the Wids" maybe even to the Steves"

Yours for a change,

Brighams Face High Scorers In Toby Roybal and Dick Brott

by Jack Smith
Universe Sports Writer

Brigham Young's slumping Cats will be fully primed to meet the acid test when they encounter dark horse New Mexico and mediocre Denver Friday and Saturday nights at the George Albert Smith Field House.

A loss in either game would put the Cougars out of the title picture in the race with the University of Utah Redskins.

Lobos Dark Horse

The New Mexico Lobos led by scoring ace Toby Roybal will be out to take over third place when they meet the Brighams Friday night. Coached by Bill Stockton, a newcomer to Skyline coaching ranks, the Wolfpack is currently resting in tenth place after suffering a very poor pre-season record. Roybal, the Skyline's leading scorer, is currently burning up the league with a 28 point plus average per game. Ed Pinegar of the Cougars will probably draw the defensive assignment on the Lobo ace.

Besides Roybal the top men for the New Mexicans are John Peel, big 6'6" center who is one of the leading rebounders in the conference at present, and Walt Kneaud, a forward, who with a hot night could cause many grey hairs on the Cougar heads.

Stocktons team will be out to prove that they're not a bunch of dolphins Cume Latelys when they class this weekend. We have worked hard and played well so far, Stockton says, and every team in this conference is good. We can get slopped anytime by anybody. We're not assuming a thing until we prove it conference. The Lobo men are coached

Denver Capable

The big question in the Denver camp this weekend is the fifth starter but the Pioneers, who [illegible] with guard Wes [illegible], center Dick Brott and forward Dick Pavy all [illegible] Pinegar in Denver squad.

[illegible] Hovey [illegible] 9-7 season record.

Game time [illegible] the 8 p.

ER ACE—Big Dick Brott, one of the area's leading scorers and rebounders, will give the Cougars all they can handle Friday night when BYU and Denver clash on the Fieldhouse floor. Brott and the Cats' ace Herschel Pedersen are expected to stage another of their fabulous duels.

CLAYTON'S CORNER

by Ken Clayton

[illegible] to be noted over the poor sportsmanship shown in [illegible] basketball matchs this type of negative publicity the school [illegible] can't prevent by means of well [illegible] action.

Brigham Young University [illegible] has well known [illegible] for its [illegible] and courtesy extended to teams playing on [illegible] floor. If the good name becomes sullied through lousy [illegible] action.

Denver and New Mexico are our guests this weekend [illegible] their best welcome regardless of what transpires on the [illegible] court. It's the kind of friendship not adversity.

The above remarks may seem rather incongruous in the light of recent reforms suggested along the lines of officiating. We have been assured, however, by competent authorities that the power to be have been making strong suggestions to improve the unsavory officiating that exists in the area.

This is the reassurance that has been needed, and even though it may take until next year to improve the situation, it patience and forbearance be the byword.

Like the football situation, the officiating is bound to improve.

*

Showdown time is looming nearer and nearer for Coach Watts' Cougar quintet. Aside from the New Mexico and Denver tilts this weekend, the Brighams face their nemesis Utah here next Thursday on the Fieldhouse floor, then invade Salt Lake City for a game with Utah next Saturday.

The team will need all the support possible in these next [illegible] crucials. Now is the time to get behind and support the athletes representing our school. Let's fill the Fieldhouse for these next three games and really boost these fellows over the top. They deserve it.

Cougar Wrestlers Invade Logan For Meet With Veteran Aggies

by Paul Gimbles
Universe Sports Writer

Brigham Young University will then seek their second flight of the season over the Utah State grapplers at Logan Saturday night. The Cougs downed Nalder's boys in a dual meeting at Provo by a 22-point.

Last week the Cats came out of a losing streak by beating a strong and out team for University of Utah at Salt Lake City. The boys lost to the Buffs of Colorado University, Utah State, Colorado A&M and Wyoming before countering with a victory over Utah.

Rebuilding from last year's Western Division Champions Ellis Nalder and Ray Thomas have had a rough [illegible] with [illegible] two returning veterans Reed Wright, top veteran scored a victory over the tough Aggies. Ted Willich also took a win over the Ags. These are the only returnees.

Injuries have took hold of an already weak mat team to make this weeks tilt loom in the dark.

Rayburn Jack (123) will be lost to the Cougars along with Ted Willich (167).

Cougar heads will fill in with Warner Thornock at 123 lbs for Rayburn Jack. Calvin Merrill will wrestle in the 177-lb class in place of Sam Jensen (161), who will drop down to the 167-lb class to fill in for Ted Willich.
